

# Little Champs Therapy and Yoga **POLICY UPDATE**

MAY 17, 2024

Dear Parents and Guardians,

We hope this message finds you well. We would like to inform you about some important policy updates at Little Champs Therapy and Yoga, effective immediately, to ensure the safety and well-being of all our clients.

## **Supervision During Therapy Sessions:**

- Clients will not be left unattended during their therapy sessions. Our dedicated therapists will be with them at all times, providing the highest level of care and attention.

## **Parent/Guardian Waiting Policy:**

- Parents and guardians are required to remain in the waiting room for the duration of their child's therapy session. This policy is designed to ensure that you are readily available should your child need you or if we need to communicate with you promptly.

## **West Palm Beach Clients with Monarch Services:**

- For our clients in West Palm Beach who are receiving services from Monarch, it is the responsibility of the parent or guardian to escort their child to and from Monarch. Little Champs Therapy will not be responsible or held liable for clients during their transfer to Monarch.

We appreciate your understanding and cooperation with these policies.

Our primary goal is to provide a safe, supportive, and effective therapeutic environment for your children. If you have any questions or need further clarification, please do not hesitate to contact us.

Thank you for your continued trust in Little Champs Therapy and Yoga.
